Limited Participation (LP) = less than 100% of a player's normal repetitions

Out = definitely will not play

Full Participation (FP) = 100% of a player's normal repetitions

Doubtful = at least 75% chance will not play

Did Not Participate in Practice (DNP)

Questionable = 50-50 chance will not play

Probable = virtual certainty will be available for normal duty

All Clubs are required to provide the NFL office and issue to local media the names of injured players who missed any portion of 11-on-11 team work on Friday (and updated on Saturday and Sunday, if applicable).
